

MAR 12 2014

TIMBERON WATER & SANITATION DISTRICT

FIRST REVISED RULE NO. 16

Cancelling original Rule No. 16

METERING

Page 1 of 2

A. Ownership of Meters: All meters used in connection with metered service shall be installed, maintained and owned by the District.

B. Meter Testing: Each meter, whether new or repaired, or removed from service for any cause, shall be tested and in good order before being installed. All tests to determine the accuracy of registration shall be made with standard meter testing equipment.

C. Upon request by a customer, the District shall make a test of the meter serving him and shall advise the customer that he may be present. If the meter has been tested within the last twelve months, the District may charge the customer a meter test charge, as approved by and on file with the Commission, for making such a test and such charge will be refunded to the customer whenever the meter proves to be in excess of two percent (2%) fast.

D. The customer or his representative may be present, if he desires, when his meter is tested. If the customer wishes to be present, he should so notify the District at the time of his request for the meter test. The District shall give the customer reasonable advance notification as to the day, time and place of said meter test.

E. A report of the results of the test shall be made to the customer within a reasonable time after the completion of test, and a record of the report, together with a complete record of each test shall be kept on file at the office of the District with compliance to such retentions as authorized by New Mexico Administrative Code 17.12.750.9 (C).

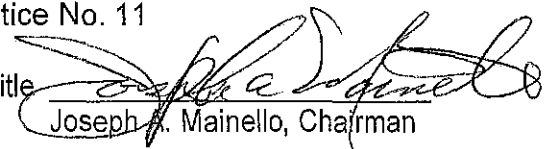

X

F. Fast Meters: When a meter is found to be in fact in excess of two percent (2%) error against the customer in tests made at any time, the District shall refund to the customer an amount equal to the excess charged for the water incorrectly metered. The period over which the correction is to be made shall be the time of apparent failure; provided, however, the period shall not exceed six (6) months. No part of the minimum service charge shall be refunded.

G. Slow Meters: If, upon testing, the meter is determined to be more than two percent (2%) slow, the amount of the under-charged resulting from the error will be billed to the customer, but the period employed in calculating the under-charge shall not exceed six (6) months.

H. The District reserves the right to test any meter at any time during business hours and to enter the property/premises of a customer if necessary for that purpose.
